QUEST MEDIA CABINET

- Quest is a loft style media cabinet that is made of solid wood drawers using traditional joinery, encased in an exposed metal frame. It sits on heavy duty cast iron wheels.
- Drawers can slide open on either side. They run on wood glides.
- Open shelves in the middle cannot be removed or adjusted in height; they are 18.75 in wide with 5 - 7 in space between them.
- 6 in high swiveling wheels are non-locking.
- Clear finish.
- All wood is sustainably sourced from local plantations. Hand made in Central Java, Indonesia.
