SERPENTINE MEDIA CABINET 2 DRAWERS

- Serpentine is a loft style media cabinet that is composed of solid wood drawers made with traditional finger joinery, and an exposed metal frame. The frame wraps the drawers as one continuous loop.
- Generous size drawers run on wood glides.
- Clear finish.
- Reclaimed teak that has been recovered from building sites has preserved rustic texture.
- Frame features adjustable leveling glides.
- All wood is sustainably sourced from local plantations. Hand made in Central Java, Indonesia.
