TEE BENCH BASE

- Tee is a versatile solution for any space, these bases are equipped with adjustable levelers and come in iron and stainless steel.
- Solid welded with hollow metal tubing. For indoor use only.
- This size is designed to support a bench that is 12 - 16 in deep. Not suitable for oversized or heavy slab tops. Recommended bench length for a pair of bases is 48 - 60 in (depending on the bench top thickness).
- Tee base collection includes other sizes.
- Hand made in Central Java, Indonesia.
