WILLOUGHBY SHELVING

- Willoughby is wall mounted storage system consisting of solid wood vertical supports and clear finished bent sheet metal shelves.
- Shelves are mounted on the poles using supplied pegs. Each shelf can be hung horizontally or easily flipped to be hung at an angle as a display. Each vertical section can fit 5 display shelves comfortably.
- A minimum of two supports are needed to setup the system. By adding supports and shelves, the system can expand indefinitely. Secure wall mounting is required.
- Wall condition must be adequate for the unit load. Climbing the unit can cause personal injury and property damages.
- Clear finished for indoor use.
- All wood is sustainably sourced from local plantations. Hand made in Central Java, Indonesia.
