

MERLOT 2021

VINTAGE

Unpredictable weather challenged even the most experienced winemakers and grape growers in 2021. Despite the weather challenges we had good phenolic ripeness on skins and lower acid across many wines.

WINEMAKING

This Merlot was harvested in mid-October, and aged to perfection in both French and American Oak barrels.

AROMAS & FLAVOURS

Aromas of Graphite, Blueberry, and Plum dance on the nose, while its palate of Blueberry and Plum are complemented by its fine tannins.

FOOD PAIRINGS

Merlot 2021 is a remarkable red wine that pairs perfectly with some of your favorite dishes. Enjoy it with cheeseburgers, ratatouille, lasagna, and poultry like duck with blueberry sauce and cornish hens.
