

**2017 Pinot Noir
20th Anniversary
Rio Vista Vineyard 667, Sta. Rita Hills AVA**

This wine celebrates our 20th anniversary of Flying Goat Cellars! The Rio Vista Vineyard is one of the select vineyards we source from in Sta. Rita Hills AVA, which is known for stellar Pinots. We've been making Pinot Noir from the Rio Vista Vineyard since 2003 and we've particularly enjoyed featuring the 667 clone in our special releases. This wine, though made from the same clone featured in the Magnum, tastes considerably different due to the use of the Assmanshausen yeast.

Tasting Notes

Bursting with robust fruit and floral aromas, this jammy and rich wine accentuates the 667 clone only to exceed all expectations. With hints of dried fruit, tart blueberry, and black pepper, it embodies a demure ingénue with promises to mature with each passing year. Enjoy this wine with bacon wrapped jalapeños, pigs in a blanket, or your favorite pork dish; or curl up with a heaping bowl of butter popcorn and enjoy your favorite movie.
