Three Mosman Historical Society committee members will speak about the Lost Mosman project (<https://lostmosman.com>) with a focus on some of the places included in it.

Lost Mosman records through images and descriptions places that no longer exist. While some were little known, others were of considerable importance to the community and their disappearance is often now regretted. All are of much historical interest. Examples to be discussed include the Mosman Bay footbridge, the Star of the East Amphitheatre overlooking Balmoral and the scout and guide hall at Markham Close.

(This talk is in place of one to be given about Taronga Park Zoo by Guy Cooper, which may be rescheduled to 2017.)
