Andean Peaks Hat

designed by Bethany Dearden

Two Fits

This Andean Peaks Hat pattern will include instructions for both a **slouchy** and **beanie** hat

Slouchy Fit

Band: (using 1st color)

Ch 7.

1. Hdc in 2nd ch from hook. Hdc 5. Turn.

2 - 46. Ch 1. Hdc in same st. Hdc 4 in back loops only. Hdc in last st, through both loops.

Band should be very stretchy, and should be approx. 15" long UNSTRETCHED. This measurement is only accurate if you haven't stretched it around your head yet. It should be stretchy enough to stretch several inches. I provide this measurement only because many people ask for it. If yours doesn't seem stretchy due to your gauge or yarn choice, feel free to change the number of rows to fit your head.

Fold in half, sl st both ends together forming a band. Turn inside out so the seam is on the inside, and the loop is on the top. Continue to step 1 of the body.

Body:

1. Ch 1. Sc 70 around the top, working about 3 sc sts across 2 hdc rows. Join with a sl st using 2nd color.

2-4. Ch 1. Dc in each st around. Join with a sl st 2nd color. (70 sts)
