## Notes

We will be working this cardigan in multiple pieces. We will first work on the back panel. Once complete, we will turn our work and create the front panels on both sides of the back panel (the wider sides). We will then create and seam up our sleeves. Once we have assembled the full sweater, we will create the collar/trim by crocheting around the entire exterior of the piece, in seamed rounds.

Evangeline is designed to be a standard fit, with approximately 2-4" of positive ease at the bust.

## Moss Stitch

For this pattern, we will be using this stitch sequence as the Moss Stitch (MS) : [Sl St, DC] Repeat [ ] across. Do not place both Sl St and DC in same st, they are to be placed in separate sts. In subsequent rows, make sure to work the DC into the Sl St of the previous row. Each MS cluster is counted as two stitches.

## Pattern

### Back panel

Using MC, CH 81 (81, 83, 83, 85, 85)

**Row 1.** (Beginning the back panel) Starting in 2nd CH from hook, MS across. (80, 80, 82, 82, 84, 84 sts)

**Row 2-16.** CH 1, turn. MS across. (80, 80, 82, 82, 84, 84 sts)

**Row 17.** Using CC, CH 1, turn. MS in FLO across. (80, 80, 82, 82, 84, 84 sts)

**Row 18-22.** Using MC, CH 1, turn. MS across. (80, 80, 82, 82, 84, 84 sts)

**Row 23.** Using CC, Repeat Row 17. (80, 80, 82, 82, 84, 84 sts)

**Row 24.** Using MC, CH 1, turn. MS across. (80, 80, 82, 82, 84, 84 sts)

**Repeat Row 24-** 44 (48, 52, 54, 58, 62) times more, or until your work measures 18 (19, 20, 21, 22, 23)". Fasten off, leaving a 6" tail.

## Note

When placing your first row of new stitches on the narrow side of the back panel, be sure to keep them evenly spaced. You don't want your stitches too stretched nor too close together. If you are unfamiliar with where to place your stitches, allow yourself the patience needed if you need to frog it a time or two before finding your sweet spot. Practice is the only way you'll find all the little tips and tricks!

## Front panels

**Row 1.** (Now creating the front panels of cardigan) Using MC, MS across, keeping your sts evenly spaced. (68, 72, 76, 78, 82, 86 sts)

**Row 2.** CH 1, turn. MS across. (68, 72, 76, 78, 82, 86 sts)

**Row 3.** CH 1, turn. MS across for (22, 24, 26, 28, 30, 32 sts)

**Repeat Row 3-** 101 (101, 104, 104, 114, 114) times more, or until your work measures 27 ( 27, 27  $\frac{3}{4}$ , 27  $\frac{3}{4}$ , 30  $\frac{1}{2}$ , 30  $\frac{1}{2}$  )" from the beginning of the front panel section (the front panel will be  $\frac{1}{2}$ " longer than the back panel).

*Fasten off, leaving a 6" tail*

You will now work the second front panel section. Join the MC yarn to the corner using a Sl St.

**Repeat Row 3-** 101 (101, 104, 104, 114, 114) times more on this side, or until your work measures 27 ( 27, 27  $\frac{3}{4}$ , 27  $\frac{3}{4}$ , 30  $\frac{1}{2}$ , 30  $\frac{1}{2}$  )" from the beginning of the front panel section (the front panel will be  $\frac{1}{2}$ " longer than the back panel).

*Fasten off, leaving a 6" tail*

### Note

We will be working the sleeves flat, starting at the cuff. You will begin with your contrast color for the creation of the cuffs before finishing off and attaching your main color for the remainder of the sleeve. Once the sleeve has been made, we will then seam them into a tube/sleeve shape using coordinating yarn to prevent any view of the seam on the outside. Along with the sleeves, we will be creating the pockets, which are made in two pieces. We will make the main color portion of the pocket which will be an easy square using the moss stitch. We will also make the contrast color portion of the pocket which will be an easy rectangle using the same stitch. When we assemble the pockets, we will be first attaching the contrast piece onto the main color square by folding it over the top of the square and sewing it into place using a yarn needle and coordinating yarn.

# Assembly

## Pockets

Wrap CC rectangle onto top of MC square. Using tapestry needle and the CC yarn tail of your CC pocket piece, sew pieces together. Using the MC yarn tail of your MC pocket piece, sew pocket onto cardigan in desired place. You may reference final photos for my placement.

Now we will be:

- Assembling pieces
- Creating collar/neckline and detail
- Crocheting back panel ruffle detail
- Optional: Adding buttons

1. Lay cardigan flat with front panels on top of back panel. Line up sleeves to proper position on cardigan. Place stitch markers where the armpit of your cardigan (bottom of sleeve) will be.

2. Using MC, attach yarn with Sl St to bottom corner of cardigan, through both front and back panels together. [CH 1, Sl St] Repeat [ ] up the side of the cardigan until you reach your stitch marker. Finish off. Repeat for other side of cardigan.

3. For sleeves, fold them in half with textured side of cuff exposed. Texture side of cuff should be the same as seamed side - we will be flipping the cuff to show the detail correctly. Attach CC to wrist of sleeve with Sl St. [CH 1, Sl St] Repeat [ ] across CC cuff. Finish off.

4. Attach MC to sleeve seam with Sl St. [CH 1, Sl St] Repeat [ ] across MC sleeve. Finish off, weave in ends.

5. Turn cardigan and sleeves inside out so seams are visible. Using your tapestry needle and MC, securely sew sleeves evenly onto body of cardigan. Be sure keep a medium tension as not to "pull" sts as well as not to have shoulder seam be loose and visible after some use.

## COLLAR/HEM:

Row 1. Join MC to bottom seam with a Sl St where front panel is connected with back panel. CH 1. HDC evenly around entire piece. Sl St to first HDC. Finish off.

Row 2. Join CC with Sl St to last st created. CH 1. HDC in each st around. Sl St to first HDC.

Row 3-5. CH 1. HDC BLO in each st around. Sl St to first HDC.

Row 6. CH 1. Sl St in each st around. Sl St to first Sl St. Finish off.

## BACK PANEL RUFFLES:

In images below it shows ruffles being worked into the main color. As you changed color for these rows, you will be working into CC to do your ruffles.

Using CC, attach yarn to BLO row on back panel using Sl St.

Row 1. (CH 1. Sl St in same st. (Sl St, 3HDC, Sl St) in next st) Repeat ( ) across. Finish off.

Repeat Row 1 for second BLO row on back panel.

Weave in all ends, and you're done!
