**Row 86:** Ch 3 and turn, dc same dc, dc in each st until 2 sts before marked st, skip 2-dc, 5dc in MS, leave remaining sts unworked, do not turn <87dc, skip 2, 5dc cluster>

**Row 87:** This is your row to set up for your edging. Using main color, change to your 5.0mm H/Strawberry Furls Candy Shop hook. Ch 7 and turn, skip 2-dc, 3dc next dc (mark the ch-7 space), skip 3-dc, \*[2dc, ch 5, 2dc] in next st (this will be referred to as a shell throughout rest of pattern), skip 3-dc, repeat from \* to end. 3dc in last dc.

## Edging Row 1:

This is your first complete edging row. Change to your accent color, using same 5.0mm H/Strawberry Furls Candy Shop hook, Ch 3 and turn, 2dc in the same st, skip next 2-dc, ex-dc in the space before the next shell (figure 1 below shows what I mean by 'in the space before the next shell'), skip next 2-dc, \*[2dc, ch 4, 2dc] in ch-5 of next shell, skip next 2-dc, ex-dc in space between this shell and next shell, repeat from \* to marked ch-7 space, skip next 2-dc, [4dc, ch 4, 4dc] in marked space (mark the ch-4), skip next 2-dc, ex-dc in the st that corresponds with the 5-dc from Part One (figure 2 below), \*[2dc, ch 4, 2dc] in ch-5 of next shell, ex-dc in the st that corresponds with the 5-dc from Part One, repeat from \* to the last 5-dc space, this will bring you to where you started the shawl in Part One, 3dc in the bottom of the original ch 4.

**Edging Row 2 (RS):** This is your very last row... congrats, you are almost done. Continue with accent color and your 5.0mm H/Strawberry Furls Candy Shop hook, Ch 3 and turn, 2dc in same st, skip next 2-dc, 2dc in the next ex-dc, skip next 2-dc, \*[3dc, ch 2, 3dc] in the ch-4 of next shell (figure 3), skip 2-dc, 2dc in the next ex-dc, repeat from \* to the last ex-dc before the marked shell, skip first dc of shell, dc in each of the next 3-dc of the shell, [3dc, ch 2, 3dc] in ch-4 of shell, dc in each of the next 3-dc of shell, skip last dc of shell, 2dc in next ex-dc (figure 4), skip 2-dc, \*\*[3dc, ch 2, 3dc] in the ch-4 of next shell, skip 2-dc, 2dc in the next ex-dc, skip 2-dc, repeat from \*\* to last dc, 3dc in last dc.

## Note on Edging Row 2:

Your edge may have a slight ruffle. This ruffle will settle flat, once you block your shawl and the body of the shawl opens up. However if you are getting a large ruffle, you are using an acrylic, or you are using a larger hook than what the pattern calls for, you can change the 2dc in the ex-dc to just 1dc in the ex-dc, you can even choose to make this a fpdc if you like. This should reduce the ruffling. If this is not enough of an adjustment, you can change the [3dc, ch 2, 3dc] to a [2dc, ch 2, 2dc] or alternate between them both.

**Finishing:** Block your shawl to finished measurements, or as needed. I prefer the wet blocking method for this pattern, but you can use whatever blocking methods you prefer, or that will work with your yarn. If you are not sure how to block, or what method to use, we can discuss this in the facebook group, Fun with Furls.
