

# *Furls Crochet*

## *Infinity Spring Shawl*

*Designed by Briana Kepner*

## MATERIALS

- Stitch marker
- Size US G-6 (4.0 mm) [Furls CrochetRose Gold Odyssey Hook](#)

### YARN

**5 balls of Paintbox Yarns Cotton DK**, 137yards each- Sample shown in **Stormy Grey**.

## GAUGE

4x4 inches = 16 rows by 21 stitches in linen stitch

## NOTES

The chain at the beginning of the row does not count as a stitch.

Some rounds will increase in stitch count due to floating stitches, and then decrease again on the next round.

If the cables pull in too much and the fabric does not lay flat, simply add one yarn over to each floating stitch.

If the cables are too loose, take away one yarn over from each floating stitch.

## STITCHES

**BLO**- back loop only, **CC \*** - closing curve, **FF3DC \*** - front float three double crochet, **FF3TRTR \*** - front float three triple treble crochet,

Cross, **OC \*** - opening curve, **sc** - single crochet, **st(s)** - stitch(es), **yo** - yarn over

Completed CC counts as 1 sc and no floating sts.

Worked as follows: sk3fs, FFDC around 4th floating st stopping with 2 loops on hook, FFDC around 3rd skipped floating st stopping with 2 loops on the hook, FFDC around 5th floating st stopping with 2 loops on hook, FFDC around 2nd skipped floating st stopping with 2 loops on hook, FFDC around 6th floating st. stopping with 2 loops on hook, FFDC around 1st floating st. stopping with 2 loops on hook, insert hook into next sc and pull up a loop, yo and pull through all loops on hook.

**FF3DC** (front float three double crochet)

**Yo**, insert hook from front-to back-to-front around post of indicated st (or next available floating st, if no st is indicated) and pull up a loop, [yo and draw through 2 loops] twice. Repeat for remaining two floating stitch to work a total of three front float stitches next to each other.

**LC** (Front Float Three Treble Stitches in 4-stitch Left Cross)

This group of sts counts as 4 linen stitches and 6 floating sts.

Worked as follows: sk3fs, FF3TR around next floating sts, (sc, ch 1 and skip next) twice, working over floating st just created FF3TR around skipped floating st.

**FF3TRTR** (Front Float Three *Triple Treble* Crochet)

Yo four times, insert hook from front-to back-to-front around post of indicated st (or next available floating st, if no st is indicated) and pull up a loop, [yo and draw through 2 loops] 5 times. Repeat for remaining two floating stitch to work a total of three front float stitches next to each other.

**OC** (Opening Curve)

This group of stitches counts as 4 linen stitches and 6 floating sts.

Worked as follows: Skip 2 stitches, FF3TR around next sc two rows below, (sc, ch 1 and skip next) twice, FF3TR around base of FF3TR just made starting with the top floating stitch down.

## NOTES

This shawl is worked from one end to the other, increasing to the midpoint section and then decreasing.

When using the linen stitch, the single crochet and the chain stitch are each counted as individual stitches. The turning chain does not count as a stitch in the row stitch count.

Using a stitch marker to keep track of increases and cables is helpful.

Some rounds will increase in stitch count due to floating stitches and then decrease again on the next round.

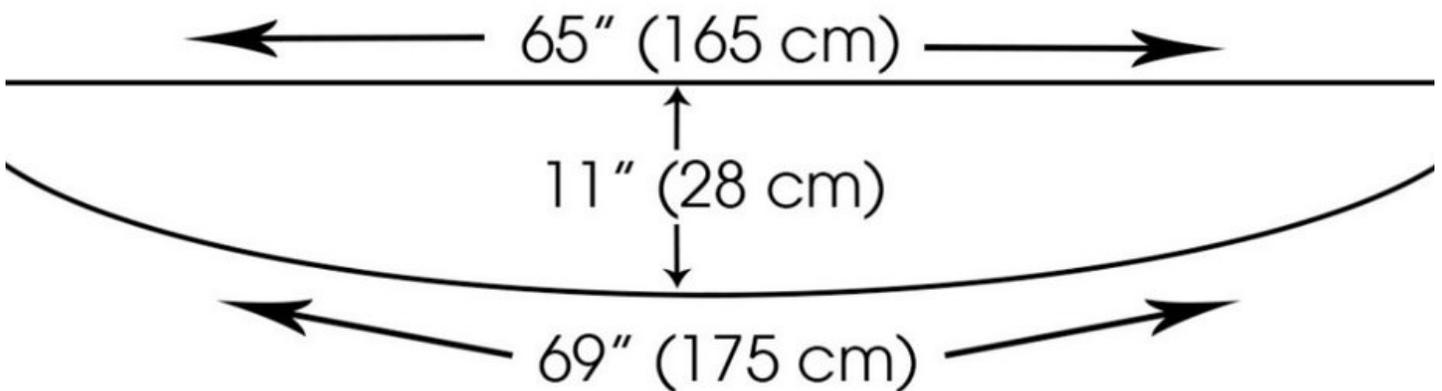

If the cables pull in too much and the fabric does not lay flat, simply add one yarn over to each floating stitch.

If the cables are too loose, take away one yarn over from each floating stitch.

Cleaner cables are achieved by working the post stitch into (through) post stitches by grabbing two strands of the stitch instead of working around the entire stitch.

Stitch counts are written as (Linen Stitch Count, Floating Stitch Count)
