

Furls Crochet
Triangle Scarf

Designed by Meghan Ballmer

DETAILS

Gauge

14 stitches X 7 rows = 4" square in half double crochet in BLO

Size

Finished scarf measures 53" along top and 42.5" along each side.

Abbreviations

Ch- chain, Hdc- half double crochet, BLO- back loops only, St- Stitch, Sp- space

Corner Stitch: For the corner, work 2hdc, ch2, 2hdc into each ch-2 space from the previous row.

NOTES

Scarf is worked in rows and all stitches are worked in the BLO.

Ch 2 at beginning of rows does not count as a stitch.

Stitch counts at the end of rows tell how many hdc and ch 1 stitches were worked in each row.

Gauge is not essential but will affect the finished size of the scarf.

Feel free to substitute with worsted weight yarns as well. If using worsted weight you may need to add additional rows to reach the desired size.

Fringe!

To add fringe to your scarf you will need to cut at least 162 12" pieces of yarn. This will bring your fringe almost all the way up both sides of the scarf. Feel free to add more if you would like, especially if you added extra rows.

Starting in the front corner, fold two pieces of yarn in half and pull the center through the ch-2 sp in the last row from front to back. Pull ends of yarn through the loop and pull tight.

Add fringe in the same manner to the stitches on either side of the ch-2 space and in each ch-1 sp along either side of the scarf until 18 ch-1 spaces remain on each side.

Wrap scarf around neck and tuck in ends. For added security, you can attach a 1 ½ inch button to the wrong side of the scarf in one corner. Then simply button the ends together under the main section of the scarf to hold in place.
