

# Supply Tubing | 1/2", 3/4", 1"

## APPLICATION

- High quality, flexible tubing for general irrigation applications
- Use Supply tubing to transport water to the area to be irrigated
- Connect using insert, compression or Smart Loc Multi-Diameter fittings

## FEATURES

- Made with UV resistant materials for installation above or below grade
- Coiling options make handling and storage easy and efficient
- Available with color coding for identification

## OPERATING RANGE

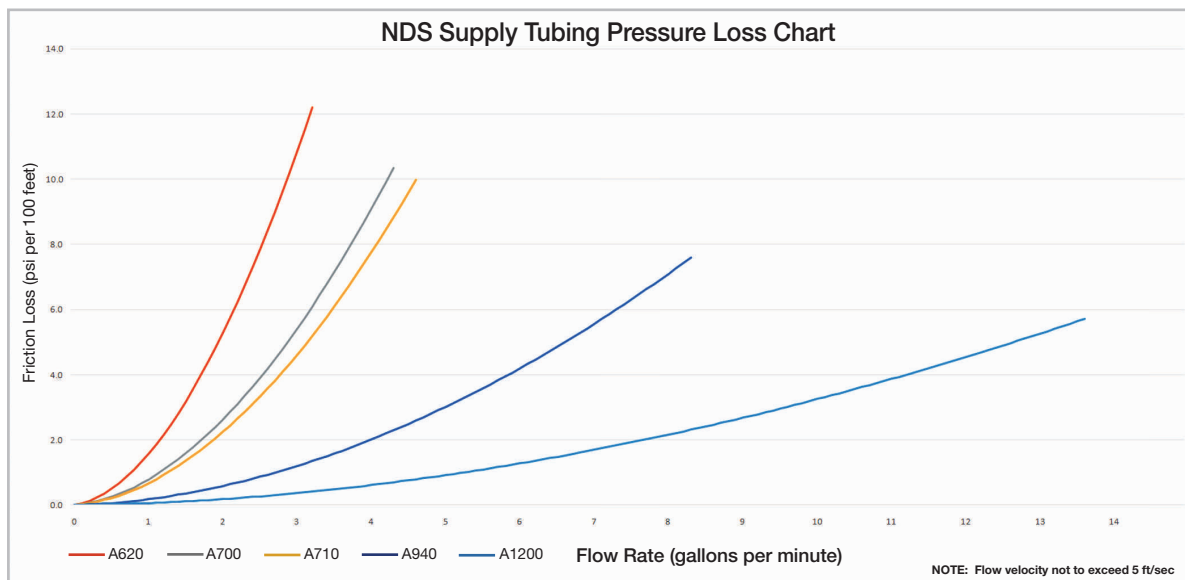

- Recommended System Pressure: 0 - 60 PSI
- Recommended Ambient Temperature: up to 125°F

## SPECIFICATIONS

- Made from durable Polyethylene with UV inhibitors

## WARRANTY

- NDS supply tubing products have a Limited Two-Year Warranty.

## Supply Tubing | 1/2", 3/4", 1"
