

Climb For Veterans

Sunday, 13 August 2023, 10 am - 4 pm
Chicopee Tube Park, 1600 River Rd, Kitchener

A great healthy family event!

Please help our ill and wounded veterans by fundraising for PTSD Service Dogs, to prevent homelessness, and for commemorative projects throughout Wellington County and Waterloo Region.

Canada's highest peak is Mount Logan at 5,959 metres above sea level. Would you walk that distance up and downhill to raise funds for veterans?

Chicopee Tube Park zip-line rides will be open for business during and after the event – loads of fun!
