

**NEW**

**CURRENCY COUNTER**

**DL-2000**

**DL-2000**

**Easy to handle, but highly efficient  
Quality Performance  
within its compact body**

## Count well, Catch well and Minimize Reject with Compact Size, Powerful, Robust Design, New Creation from more than 55 years of experience.

Billcon, a global leader manufacturing banking machines, now creates new currency counter DL-2000, which is designed for excellent performance in various needs of counting requirement.

Applying Billcon's own unique severe quality control system, DL-2000 ensures accurate/reliable cash counting process.

### MODEL DL-2000 Features

- Simple structure Simple Operation
- Adopted Membrane Switch for Dust and Drip Proof
- Adopted full infrared and UV scanning and magnetic sensor which improves counterfeit detection level within state-of-the-art software and hardware technology
- Adopted color scanning technology with Contact Image Sensor which improves recognition and minimize rejects
- Designed to allow easy access of entire note path with 2 opening covers thus ensuring easy clearance of jamming and maintenance

Specification	Currency	US\$
	Count Speed	High : 1,000 notes per-minute    Low : 800 notes per-minutes
	Mode	MIXED, SINGLE, FACE, DIRECTION, SEPA, SIDI, FREE
	BATCH	By Number, By Amount, Denomi Batch
	Hopper Capacity	500 notes
	Stacker Capacity	200 notes
	Reject Capacity	100 notes
	Detection	MG, UV, IR
	Language	Selectable from 9 languages
	Dimensions	W11.8 in X D10.6 in X H12.4 in (excluding Hopper Guide)
	Weight	17.2 lbs
	Power Consumption	50W
	Power Supply	100-240V 50/60Hz 1.2A
	Accessories	Remote Display (ODLP-1)
