FibreGuard combines the latest in Stain Free Technology with high quality and stylish home furnishing fabrics, ensuring easy care & low maintenance for years to come.

FibreGuard combines the latest Stain Free Technology with high quality and stylish home furnishing fabrics to ensure low maintenance and long lasting look & feel.

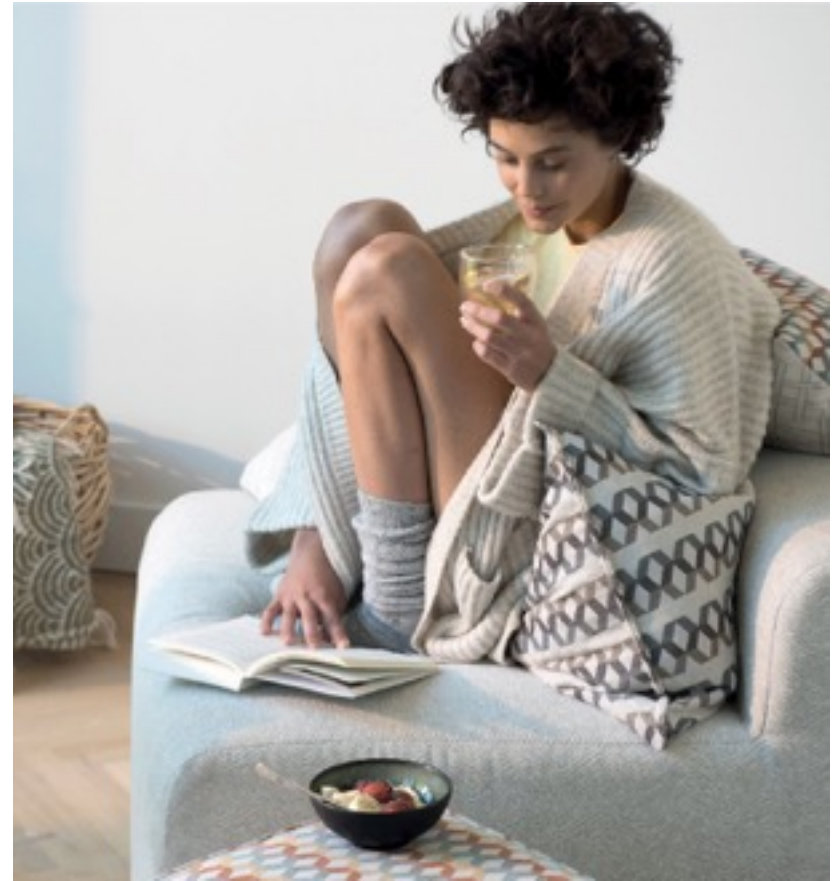

1. EASY TO CLEAN

FibreGuard fabrics are low maintenance and easy to clean. From ballpoint pen, to coffee, mud, red wine, and ketchup, common household stains are easily removed allowing you to keep your furniture fabrics looking fresh year after year. Stains can be removed from FibreGuard fabrics using mostly water, stubborn stains may require a small amount of house-hold soap. Please refer to FibreGuard demonstration videos on fibreguard.com for complete instructions on how to best remove your stain.

2. HIGH PERFORMANCE

At FibreGuard, we are committed to supplying top quality interior furnishing fabrics. Our fabrics are constantly tested against staining by our in-house fully accredited laboratory to ensure optimum performance.

FibreGuard fabrics surpass tough quality and durability tests as well as rigorous washability and cleanability testing to ensure FibreGuard fabric withstands everyday stains and use.

3. DURABLE

FibreGuard is permanent, meaning that the stain free properties will not deteriorate after washing or heavy use. When an area of FibreGuard fabric has been stained previously and is stained again, the stains can be just as easily removed. Washing your FibreGuard fabric will not diminish the FibreGuard properties.

4. CHILD & PET FRIENDLY

FibreGuard fabrics are the perfect choice for busy households. With easy cleanability & durability you don't have worry about chocolatey hands or dirty paw prints! FibreGuard is child and pet friendly.
