

Hamilton by RATANA

Constructed with strong, sturdy, powder-coated extruded aluminum frame, Hamilton's table tops and bases provide a great addition to any outdoor dining settings. This slatted, 100% corrosion resistant aluminum table features with knock down aspect, serves to make assembly and storage much easier.

Hamilton comes in 30"/42"/48"/54" Round, 71"x39"/84"x44" Rectangular, all available in three great finishes to match your dining chairs and color theme. All bases come with umbrella hole to accommodate the umbrella pole. Hamilton can match with Arlington table tops and Catania table tops. Please refer to Ratana's price list and compatible chart for details.
