

OUR PARTNERS

LEE Industries has partnered with the world's leading innovators in earth-friendly solutions to create naturalLEE. We invite you to visit these sites and learn more about how we can all make an impact.

AMERICAN FORESTS
www.americanforests.org

American Forests is the nation's oldest non-profit citizen's conservation organization. They are the world leader in planting trees for environmental restoration whose mission is to protect and restore forests, helping to preserve the health of our planet for the benefit of it's inhabitants. As a part of LEE Industries' commitment toward a better future, we are proud to pledge support to American Forests Endangered Western Forests Initiative in the Greater Yellowstone Park area.

SUSTAINABLE FORESTRY INITIATIVE

SFI-00179

www.sfiprogram.org

Sustainable Forestry Initiative® (SFI®) is a fully independent, charitable organization that manages the largest single forest certification standard in the world. The SFI® certification program requires third-party audits to maintain an internationally recognized and trusted standard of practice. LEE Industries holds the SFI® certification.

www.sustainablefurnishings.org

Sustainable Furnishings Council (SFC) is an alliance of companies committed to the advocacy of sustainable business practices in the home furnishings industry. As a founding member and silvery exemplary status with current Board representation, LEE Industries is working closely with SFC to continue to develop guidelines and sustainability standards.

us.fsc.org

The Forest Stewardship Council (FSC®) is an international organization with a mission to promote environmentally sound, socially beneficial and economically prosperous management of the world's forests. Being certified by FSC® provides a chain of custody assurance that the products bearing the FSC® label directly support responsible forest management. LEE Industries holds the FSC® certification.
