These 3-leg tables can be used as an extension on 38, 40, 42, 48 and 60" wide rectangular Prestige tables with the E profile. Cannot be used with round or oval tables.

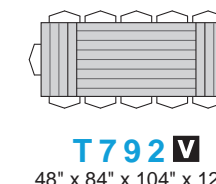

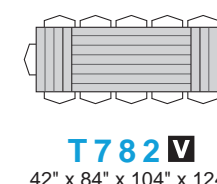

The number of seats might vary with the apron, legs or pedestal selection as well as the chairs choice.

Round & Oval table tops

Special leaves table tops

Please note that there might be width variations between the end extensions and those of the rest of the table due to the grain direction which is different as well as the humidity rate in your home. By ordering this model, you do accept this reality. No service call will be accepted because of this characteristic since it is a normal situation.

* Self-storage leaves available

Tables with self-storage come with self-g geared mechanism available on certain tables and for 1 or 2 leaves only. The additional leaves cannot be stored inside the table.
