BRYANT STYLE IN MOTION® IN SATORI FRENCH PRESS AND CRÈME BRÛLÉE LEATHER

Only comfort. Only from American Leather.®

Bryant Style In Motion by American Leather®

STEP 1: Select your configuration in either 35" or 23" seat width by marking the squares with desired quantity of pieces.

STEP 2: Choose your cover material. Note that different covers can be selected for the body/frame and seat/back cushions.

STEP 3: Select optional contrast thread color. You can order different contrast thread colors for the body/frame and seat/back cushions. (Additional charge)

STEP 4: Choose either down or foam seat and back cushions by writing in at the bottom of this form.

STEP 5: Choose your wood leg by writing in at the bottom of this form.

OPTION: An optional battery is available. Indicate which seats receive a battery with a "B". (Additional charge)

POWER: All pieces are automatically powered, except those marked with this symbol *. To remove power from a piece, notate it with "NP". Costs are the same for both powered and non-powered seats.
