ROASTING IS SUBJECTIVE. TRANSPARENCY IS CLEAR.

We believe in the future of coffee. We're publishing the price we pay for coffee, so farmers don't need to turn to other crops. We've listed the FOB (Freight on Board) price we paid to the exporter & within that, the Farmgate price, what the producer directly earned for their coffee as parchment. On top of FOB, this coffee was shipped to Melbourne, quality assessments completed, roasted (resulting in a 15% weight loss), & retailed, adding significant costs. You can read more about the way we source coffee via our website.
