SEVEN SEEDS TRANSPARENCY REPORT

MARIA REYES · HONDURAS · FULLY WASHED

ROASTER NOTES

El Guayabal is a small farm, sitting at around 1780 masl. Production is relatively low, but the quality is exceptionally high. We are proud to say that we have purchased the total output from Maria and Mario every year of our three-year relationship. Less-than-ideal harvest conditions meant that only 138 kg was available this year. This season's lot comprises 70% Pacas and 30% Red Catuai varietals.

There is nothing quite like the Maria Reyes. Year after year, this lot continues to blow past our expectations. Springtime florals on the nose, elegant and delicious in the cup. An exquisite one to start the new year. A very very limited release for which we are very very grateful.

ROASTING IS SUBJECTIVE. TRANSPARENCY IS CLEAR.

We determined a sustainable, profitable price for the growing longevity with the producer. As this coffee was purchased directly from Maria Reyes, who also completed the milling & export, we've listed the FOB (Freight on Board) inclusive of the Farmgate price. On top of FOB, we then pay to ship the coffee to Melbourne, quality assess, roast (resulting in a 15% weight loss), & retail it, adding significant costs & risk. You can read more about the way we source coffee via our website.
