*We need you to make up some kind of unique identifier for each sample. We suggest something like the first letter of your first and last name and then a 1 for the first sample and 2 for the second and so on. You can use any system you like, but just don't make it too long or complicated and if sending multiple samples try to make it obviously sequential in some way. Thanks!

Sample ID: _____

Sample Weight: _____ grams

Website Order ID: _____

(sample will not be processed without this)

Sample Return: YES | NO

(Return service fee(s) must be prepaid when purchasing XRF service pack(s))
