

SATAN PUMPKIN STENCIL

Step One: Attach this template to your pumpkin.

Step Two: Trace the gray areas of the stencil using a knife or another pumpkin carving tool. Make sure to cut through the paper and into the skin, but not all the way through the pumpkin.

Step Three: Cut into the skin of the pumpkin about 1/4 inch to 1/2 inch. Scrape away the areas in gray. BE CAREFUL DO NOT CUT ALL THE WAY THROUGH YOUR PUMPKIN.
