ABOUT THE LAWN

In 1892, Robert William Stokes moved to Lincoln with a passion for tea and coffee. He opened a small shop in the city centre, and his commitment to quality and customer service quickly earned him a loyal following.

Fast forward 120 years, Stokes Tea & Coffee remains a family business, now operated with Robert's great-grandson, Nick Peel, as the current Managing Director.

Stokes Tea & Coffee is recognised for its wide selection of teas and coffees. We carefully source, blend, roast, and pack our tea and coffee on site, here at The lawn. Our coffees are the result of passion, pride, and dedication from farmers to our Master Roasters. Stokes Tea & Coffee is committed to sustainability by using ethical suppliers and sustainable packaging whenever possible.

ABOUT THE MENU

Our menu features delicious dishes made with locally sourced produce, and to compliment your meal, choose from a wide selection of cocktails, wines, beers, and spirits.

ABOUT US

Stokes Tea & Coffee all began after one fine gentleman, Mr Robert William Stokes, moved to our glorious city of Lincoln in 1892. For over 120 years his passion for tea, coffee and the best customer service means that four generations later Stokes Tea & Coffee is still going strong.

Today, Stokes remains a family company, with Robert's great grandson, Nick Peel, the current MD, and the fourth generation is now at the helm of the Stokes Tea & Coffee.
