

Goldstrike Twin Rail Passenger Floorboard Inserts

Parts Included:

- 1 Left side floorboard insert assembly
- 1 Right side floorboard insert assembly

Installation Instructions:

1. Park on a level surface and shut off the motorcycle. Lift motorcycle onto its centerstand if available. Ensure the engine has time to cool before installation.
2. To remove the OEM floorboard rubber, pull up on the edge and you will feel it pop loose, one dart at a time.
3. Spray an ammonia based glass cleaner on the floorboard base. This acts as a lubricant to aid in the installation of the new insert.
4. Lay the Twin Rail insert on the floorboard base. Make sure that all the rubber darts are in the correct holes. (Fig. 1)
5. Use the palm of your hands to apply even pressure across the Twin Rail insert. Press down onto the insert and you will feel the rubber darts pop into place. (Fig. 2)

WARNING:

This indication alerts you to the fact that ignoring the contents described herein can result in potential serious injury or death if not followed.

CAUTION:

This indication alerts you to the fact that ignoring the contents described herein can or will result in material damage and/or personal injury.

ATTENTION:

This indication alerts you to the fact if you ignore this detail you will affect the performance or functionality of the product.

All Ciro products are designed for "easy assembly" and/or "plug and play". We recommend a competent mechanic install our products, using standard mechanical procedures to assure a safe and successful installation.

NOTE:

Ciro products are designed and manufactured under very strict quality control. Ciro warrants that products sold to the original purchaser shall be free from any defects in materials and workmanship for a period of 3 (three) years from the date of purchase, and a lifetime warranty against LED failure.

Ciro will have no obligation if the customer cannot show proof of purchase.

Warranty will not be granted unless the part is properly installed and maintained.

Ciro will not be liable for any consequential and incidental damages, including labor, or non-Ciro products.
