

HARDWIRE®

HARD ARMOR THAT IS

REVOLUTIONARY

✓ UNFLINCHING STRENGTH

Engineered with the world's strongest materials.

✓ ULTRA LIGHTWEIGHT

For all-day protection from blades and ammunition without compromising comfort.

✓ ABSORBS SHOCK

Reduces trauma & stops bullets. Dissipates impact energy quickly & efficiently.

Originally developed for the elite U.S. Special Operations Command, U.S. Marine Corps and U.S. Army, Hardwire Armor is the trusted choice of the U.S. Military. Driven by military requirements, Hardwire armor offers standout ballistic performance against bullet and fragmentation threats.
