

# BUYS TIME, SAVES LIVES

Police departments across the country use Hardwire vehicle armor while on patrol. It gives officers critical protection and valuable time to make the right decisions when it matters most.

TRANSPARENT ARMOR WINDOW INSERT

B-KIT DOOR ARMOR

## PROTECTS THE NECK AND HEAD ESPECIALLY IN BLIND SPOTS

- NIJ Level 3A+ protection against handguns and shotguns
- Lightweight armor solution • Fast & easy install and uninstall
- Allows for regular operation of the car window, including opening and closing
- Blends in to maintain the feel of community protection
- Does not interfere with or require replacement of door and window hardware, handles, or locks

## LIGHTEST & STRONGEST ARMOR PANEL EVER DEVELOPED

- Discreet, modular, scalable and upgradeable • Anti-Theft hardware
- NIJ Level 3A or 3 Protection against handguns, shotguns and or assault rifles
- Fast and easy installation • All Hardware included
- Protective skin blends with OEM door and paint
- Accepts all paint and decals

**INCLUDES BALLISTIC DOOR HANDLE**

“We had to do our best to make sure our cops remain as safe as possible, so that’s why we have the door panels and window inserts.”

- James O’Neill, 43<sup>RD</sup> NYPD Commissioner
