KISS-CUT FELT BUTTON ROLLS

Features:

Our Felt Button Rolls are made in both 1/16" and 1/8" Thicknesses. Sold in Quarter Size or Full rolls, this material has a pressure sensitive adhesive on one side, kiss cut to a liner for easy application. The adhesive will hold to most surfaces but is removable if the felt is damaged or replacement is needed over time.

Applications:

Our Kiss-Cut rolls are perfect for applying under various Home décor that may be placed on tables, desks, or other furniture to prevent scratching and or discoloration that may be caused by traditional bumpers.

Users:

- Furniture Stores
- Moving Companies
- Home Décor Manufacturers
- Decorators and Designers
- Janitorial and Operations Departments

Composition: Acrylic
