ALTITUDE	950-1200 masl
ABOUT	<p>Our Bob-o-link coffees are created under the guidance of our friends at Fazenda Ambiental Fortaleza. FAF is proving year after year that a quality-driven, low volume approach with a focus on the environment and farm health is a sustainable and profitable business model. They have grown this vision with surrounding smallholders under the Bob-o-link banner for some years now.</p>
