## ESPRESSO BLEND

---

# BOXER

---

### SUITS

Espresso, plunger, stovetop

---

### ABOUT

A Brazil-based blend designed with the espresso drinker in mind. With its distinctive dark chocolate notes, full body, and pleasant finish the Boxer blend makes gutsy milk drinks, and hefty espresso.

The Brazil base provides Boxer with its distinctive chocolatey flavours while the Central American and Asia Pacific coffees help impart a balanced acidity with a maple syrup sweetness.
