ETHIOPIA GUJI

PRODUCER	G & F Coffee Exporters
REGION	Guji
VARIETAL	Heirloom Arabica
PROCESSING	Washed
ALTITUDE	1800 masl
ABOUT	<p>We're excited to be able to deliver new Ethiopian coffees with more traceability to their specific growing regions. Previously categorized as a sub-region of larger Sidamo, Guji has now been granted it's own designation as a region capable of producing coffees with distinct and unique flavour profiles. The Guji delivers all the great characteristics we know and love about Ethiopian coffee.</p>
