ESPRESSO ROAST

INDONESIA MT. RAUNG

PRODUCER	Asal Jaya
REGION	Eastern Java
VARIETAL	Heirloom Arabica
PROCESSING	Washed
ALTITUDE	1100 masl
ABOUT	<p>A fully washed Arabica from Indonesia; one of the first “new world” homes of coffee. Our Mt. Raung Java has a heavy, creamy body, a soft cradling acidity, and pleasant sweetness. It has a familiar Indonesian earthy complexity but is delivered very cleanly, with toast and baker’s chocolate notes to boot. A big confident coffee best made as espresso but can also be used in a plunger.</p>
