PRODUCER	Uruga Raro Washing Station
REGION	Uruga, Guji
VARIETAL	Welisho & Kurume (Heirlooms)
PROCESSING	Washed
ALTITUDE	1950 - 2000 masl
ABOUT	<p>Uruga Raro is a privately owned washing station run by Snap Coffee Exporters which receives coffee cherries from 430 smallholder farmers. Snap works closely with the local farmers to help contribute towards projects in the community such as building schools and health clinics. They also provide significant pre and post harvest assistance with quality control.</p>
