  - Space Gray (VP7000)
  - Black (VP7005)
- USB-C MagTech Plug
- Plug Remover/Organizer
- User Guide (download)

SMK's USB-C MagTech™ Charging Cable is a great choice for easy and safe charging of your USB-C devices. The VP7000 (Space Gray) and VP7005 (Black) offer a magnetic charging tip with a 6.5-foot detachable charging cable, providing secured connectivity with safe charging, minimizing the risk of tripping over the cable and damaging your device. The MagTech™ eliminates the need to frequently plug and unplug your charging cable to your USB-C device to preserve the integrity of the charging port.
