T15

- SharpCut™ Series** are medium-duty trimmers made with a 1/2” thick wood base
- Hardened self-sharpening steel blade cuts up to 15 sheets of 20lb. bond paper at once
 - Permanent 1/2” grid, dual English and metric rulers ensure proper alignment
 - Patented automatic blade latch locks with every cutting motion
 - The finger guard protects entire blade length and the torsion spring prevents blade from accidentally falling

Available Models: T12 & T15
