Let's do this!

What you'll need

A brown paper grocery bag

If there's printing on the bag, just cut a panel from another paper bag and glue it on for a plain surface.

Construction paper

9" x 12" sheets:
Yellow (2 Sheets), Black (1 Sheet),
White (1 Sheet), Brown (1 Sheet),
or whatever colors you like!

Scissors

Hole punch

Pencil

Ruler

Glue stick

Snack (Optional)

Here wee go!

Step 1

Cut out templates, and use as guides to cut all shapes from construction paper as directed.

Step 2

Prepare the paper bag.
(carefully remove handles, cut eye slot, cut arm holes)

Step 3

Glue all pieces together & onto the bag.
(use the image on cover as a guide)

Step 4

Share!

Take a pic of your kid wearing the costume, and post it to www.facebook.com/weesociety for a chance to win fun Wee stuff.
