

from the wee workshop

DIY Wee Alphas Valentines

for more fun stuff, check out
weesociety.com

wee society™

Let's do this!

What you'll need

Construction paper

9"x12" sheets:

Brown, Orange, Blue, White, Gray, Black, Red or Pink

Scissors

Pencil or pen

Glue stick

Hole punch

(Optional)

Here wee go!

Step 1

Cut out templates, trace onto construction paper, and cut out pieces as directed.

Step 2

Glue all pieces together, using the image on the cover as a guide.

Step 3

Write messages on your card(s).

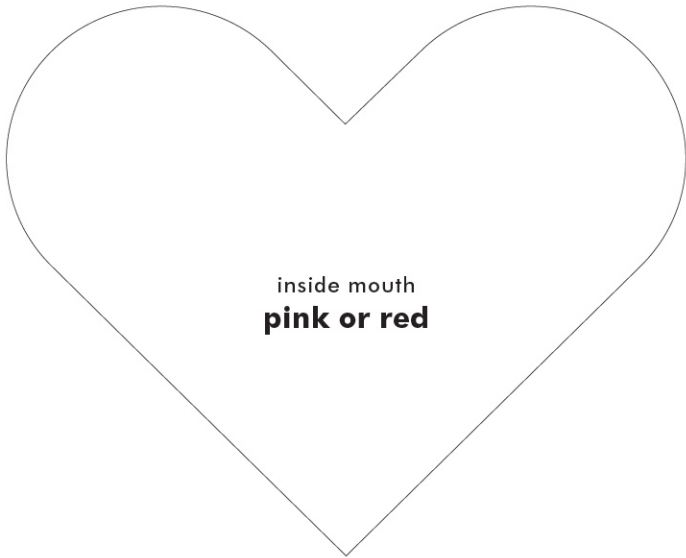

Step 4

Share the love!

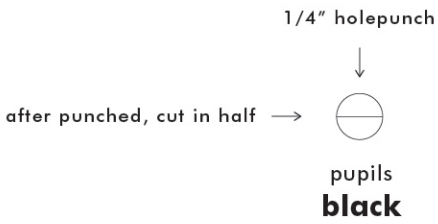

Deliver your valentines. But before you do, take a pic, and post it to www.facebook.com/weesociety for a chance to win fun Wee stuff.

Yolanda the yeti

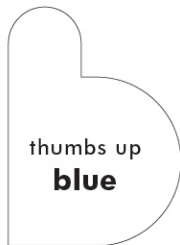

inside mouth
