Hoop a 6" x 9" piece of felt and tear away stabilizer in 4x4 hoop. Following the thread list, stitch out the ornament until you get the step on the thread list showing when to slide in a piece of felt. Per the thread list, slide a piece of 6" x 9" piece of felt underneath the hoop and center it. Proceed to stitch out the remaining steps. When the ornament is finished stitching out, take out of hoop, tear off the stabilizer and trim with pinking sheers about 1/8" inch from the design. Cut a hole with scissors through the felt at the top of the design and thread a piece of yarn for a hanger.

## Snowman Gift Card Holders

Project By: Jill Litchfield

### Supply List:

5x7 Hoop

Water Soluble Stabilizer

Fabric - Felt works very well for this project

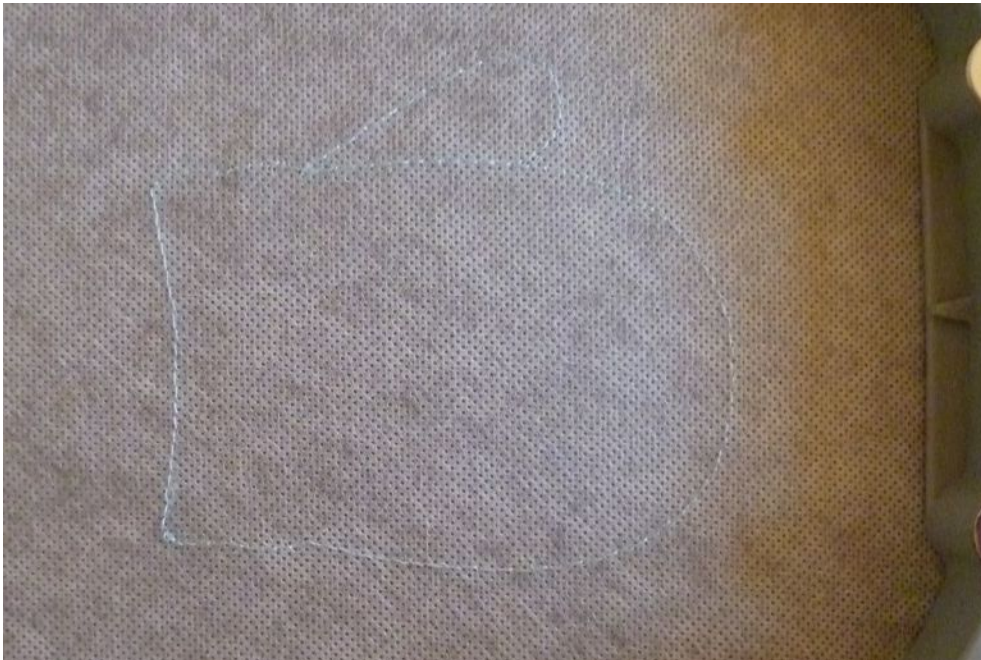

Ribbon

Embroidery Floss

Temporary Fabric adhesive Spray or masking tape

Hot glue gun and glue stick

1. Hoop a 5x7 embroidery hoop with water soluble stabilizer. Sew the first placement line on the water soluble stabilizer.

2. Take the hoop off the machine (**DO NOT UNHOOP!**) and lay a piece of fabric down covering the placement stitching. Use adhesive spray or a couple pieces of masking tape. You just need to make sure the piece of fabric stays put.

3. Place the hoop back on the machine and sew the tack down line to keep the piece of fabric in place.

4. Cut around the tack down line, leaving just the mitten shape. (Just like you would for Applique)

5. Do the same thing for the snowman head if it is a done as an applique. (Some designs are applique and some are embroidery.)

6. Continue to embroider the design until you get to the tack down stitch for the back of the mitten.

7. Take the hoop off the machine (**DO NOT UNHOOP!**) and temporarily fix a piece of fabric over the back of the mitten design. Use adhesive spray or a couple pieces of masking tape. You just need to make sure the piece of fabric stays put.

8. Put the hoop back onto the embroidery machine and embroider the tack down line.

9. Remove hoop from the machine (**DO NOT UNHOOP!**) Cut around the tack down line, again leaving just the mitten shape.

10. Put the hoop back onto the embroidery machine and finish embroidering the design.

For the pigtails:

I used embroidery floss to make the pigtails.

Take 12" of embroidery floss and fold in half and then half again.

Tie a piece of ribbon at the top of one end of the embroidery floss.

Tie a bow into the ribbon, leaving tails the you can cut to whatever length you desire.

Cut the loops at the bottom of the pigtail and separate all the individual threads.

Using a glue gun put a little glue on the X created in the embroidery design and place a pigtail into the glue.

To create the hair for the boy snowman:

Cut all along the top of the satin stitch, **do not cut** the bobbin thread.

You have a gift card or small gift holder and ornament. Enjoy
