## How To Make Christmas Cards With Embroidery Designs

Thanks for buying Holly's Christmas Card designs. I hope you get a lot of fun and use out of these designs and the accompanying ideas. If you have any questions, please contact us at...

[www.artisticthreadworks.com/support](http://www.artisticthreadworks.com/support)

Normally an embroidery design will punch enough holes in a piece of paper or that the card you are trying to make will be ruined. Holly experimented with how she could alter designs so they would NOT punch too many holes in the card stock and these designs are made specifically FOR use with cards. Once that problem was solved, Holly stitched out each design onto cards then finished them off with colored pens and other craft tools.

Here is a YouTube video Holly made showing how to stitch out the designs onto card stock...

<https://youtu.be/R6X7tcJKmO4>

Here is another YouTube video Holly made showing how she decorated the cards...

<https://youtu.be/Pkl-5qiHIXg>

Of course, you can decorate the cards any way you like. 😊

The cards Holly used were purchased at an Office store. You can also find them at craft supply stores and of course on Amazon.

We also have "Humorous Christmas Card Designs" and an "All Occasion Card Designs" set as well that will be released before Christmas of 2017 on our design sales sites. If you're on our newsletter list you will receive an email when they are ready to go on sale.
