# Artistic Threadworks

Diane Dillon

## Ginger Faces

### Key Fobs

### Supplies

- Water Soluble Stabilizer (WSS)- I use *Vilene*
- 2 pieces of marine vinyl cut 5 1/2"x3 1/2"
- Heavy Duty Scissors
- 5X7 Hoop
- Spray adhesive and/or tape
- Snaps – I use *KAM* Snaps size 20 extra long
  - Optional Accessories (eBay, Etsy, Etc.):
    - Key Rings
    - Snap Clips

### 1. Instructions

1. Red indicates a placement line – it is not meant for you to thread your machine with red thread.
2. Blue indicates the tack-down line – again it is not meant for you to thread your machine with blue thread.
3. Thread your machine with the first color AFTER red & blue.
4. Hoop WSS stabilizer into your 5x7 hoop and secure hoop on machine.

5. Sew step #1 directly onto your stabilizer. This is your placement line for vinyl. (See picture below)

6. Place 1 piece of marine vinyl, right side up, completely over the placement line. Spray or tape in place. Stitch step #2. (See picture below)

7. Stitch step #3. This is your outline stitch and can be any color. You will use this as your cutting guideline at the end.
8. Begin stitching design, working your way through all colors. **DO NOT STITCH FINAL OUTLINE or SNAP PLACEMENT.** (See picture below)

9. Remove your hoop from your machine. DO NOT UNHOOP .

10. Turn hoop over with design facing down. (See picture below)

11. Spray or tape marine vinyl in place, right side up, covering original placement stitch. (See picture below)

12. CHANGE YOUR BOBBIN. Match bobbin thread to topstitch thread.
13. Return hoop to machine and stitch final outline stitch. (See picture below)

14. The two smaller circles are placement for your snaps (Not shown in photo but will stitch in design. You may choose not to stitch snap placements)
15. Trim all threads front and back.
16. Using heavy-duty shears, cut inside the outermost outline stitch – the outline you stitched in step #3. (See pictures below)

17. Add hardware and snaps to finish.
18. **Have Fun!**
