EMBROIDERED NAPKIN PROJECT

By María Mora

This simple project consists of a kitchen fabric napkin set embellished with a beautiful embroidery design. It is a great option for a special gift that can be coordinated with a tablecloth.

Supplies needed:

- Fabric napkin set
- Embroidery design
- Embroidery threads
- Tearaway stabilizer

Hoop one napkin on a corner side with stabilizer underneath.

Place the hoop on the embroidery machine.

Embroider the selected design.

Remove napkin from the hoop.

Remove stabilizer from back side and press.

Repeat the same procedure for all napkins in the set.
