**KEEP OUT OF REACH OF CHILDREN
AVOID CONTACT WITH EYES**

NET CONTENTS: 400

8" x 12" (20.32 cm x 30.48 cm) Premoistened Wipes

DESCRIPTION

These waterless cleaners cut through the toughest tar, grease, wax, ink, paint, lubricants, and adhesive. They are extremely versatile, and can be used for nearly any job, from cleaning tools, to wiping hands to cleaning machinery and other surfaces.

These wipes are industrial strength, yet gentle on skin - fortified with an emollient, they won't crack or dry hands. The textured side of the fabric won't scratch surfaces and is ideal for scrubbing tough soils, while the smooth side wipes surfaces clean. The formula won't leave behind a residue, dries on its own, and leaves a pleasant citrus scent.

DIRECTIONS FOR DISPENSING

Cut open bag and pull thru foam core out from the center of the roll. Pull the first towel from the center of the roll out approximately 6-8 inches. Turn the bag upside down and place into the dispenser at the same time feed the first towel through the opening on the dispenser.

The dispenser may be mounted to the wall with towels dispensing up or down.

DISPOSAL

Offer empty container for recycling. If recycling is not available, discard container in trash. Do not flush wipes.

HAZARD

Health - 0; Flammability - 1; Reactivity - 0
