

Total Kill (Weed Easy)

Product # 316

Total kill herbicide

A granular, non-selective herbicide that kills a wide range of annual and perennial weeds and grasses. It offers a total kill of weeds and grasses with long-lasting residual action, so it is only recommended for non-cropland areas away from residential/recreational areas and desired woods, brush and foliage.

Granular Non-Selective Herbicide With Yearlong Residual Control:

- Non-cropland areas
- Around buildings
- Industrial sites
- Railroad rights-of-way
- Loading ramps
- Parking lots
- Fence rows
- Storage yards
- Tanks farms

Features and Benefits

- Long-lasting residual action
- Easy to spread granules
- Recommended for use only on non-cropland areas
- The degree of control and duration depends on the amount of herbicide applied, soil type rainfall and other conditions

Properties

Appearance..... Gray granules
 Fragrance..... Mild
 Ready to use..... Yes
 Flash point..... None

Directions

Complete directions on product label
 Apply at a rate of 200 to 300 pounds per acre; on smaller plots, 0.5 lbs to 0.68 lbs. per 100 sq ft. Repeat spot treatment may be required when deep-rooted perennial weeds are present. Applications early in the season give superior results to applications made later in the season.

Authorizations: EPA registered product

Active Ingredients

Active Ingredients	Amount
Bromacil (5-bromo-3-sec-butyl-6-methyluracil).....	4.00%
Inert Ingredients	96.00%

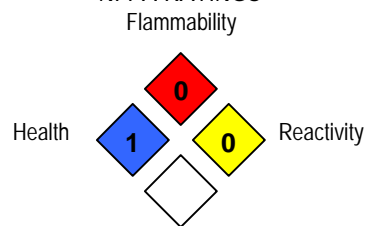

Safety

Caution: Causes moderate eye irritation. Avoid contact with skin, eyes or clothing. Avoid breathing of dust. Keep out of the reach of children.
