## Why we offer pre-primed

- Durable overlay for a beautiful, clean appearance
- Enhances the quality of any storage building
- SmartGuard ${ }^{\oplus}$ treatment protects against rot and termites

## WAXES

Special water-resistant waxes coat each strand or fiber of wood for enhanced durability in rainy, humid environments.

ZINC BORATE
Engineered wood products treated with zinc borate have been proven to effectively resist damage from termites and fungal decay.

RESIN-SATURATED OVERLAY
Offers the final layer of protection against the elements, a resin-saturated overlay resists moisture intrusion while providing a durable base for quality paint adhesion and beauty.

ADVANCED BINDERS Industrial-grade binders and resins offer incredible strength to resist impact damage from everyday airborne objects such as hail, sticks and golf balls.

SINCE 2004

## BUILDING RELATIONSHIPS ... ONE BUILDING AT A TIME

Pine Craft is a family owned and operated business in Middlefield, Ohio. We specialize in custom handcrafted buildings of all sizes and designs, and are committed to providing our customers with exceptional quality and service! Pine Craft is focused on helping you to select the best option for your site. We offer professional site preparation, deliver the materials to your location, and complete the storage barn in a short time frame. We will even remove and dispose of your old shed or structure. Whether you need an affordable option to store your lawn and garden equipment, a new hunting shed or an industrial-sized barn for your agricultural equipment, call us today for more information on how we can help.

## Testimonials

GREAT JOB GUYS!!!
We had an awesome experience with Adam and Mike at Pine Craft.
Very friendly, professional and patient while we decided amongst the many options available. We ended up going with a $12 \times 24^{\prime}$ Gable with the extra high walls. It was finished on time and delivered as stated. We felt bad for Buddy, the delivery guy, it started to thunder storm as he pulled into our driveway at 7:30am. He didnt' seem phased a bit tho, he still did a great job, was polite and friendly. We would and have been recommending them to everyone! What a great company and a great group of Godly men. Was a pleasure doing business with you and God bless you and your families!

Much love - Ed and Vicki Burnett

Excellent Service! Very Happy to have hired you guys. Thank you!
Vince S., Hunting Valley, Ohio

Thanks again for sending a great crew to our home. The shed is awesome.
The guys did a great job and I appreciate it. I will definitely refer your company to anyone looking to have work done.

Thank you, Casey T., Mentor, Ohio

I've been using these guys for a few years. Excellent company! I've had a shed built from them and had a playhouse built by them. They have great customization options and work with you to fit all your needs. They had never built a clubhouse like I wanted for my kids but they did it and it turned out wonderful. I've also got a few poly furniture pieces and bird houses from them. I had a skylight ridge on my shed that was coming up after a 2 years so I called on it this morning. Less than 2 hours later they showed up and fixed it and inspected the other seams on the roof. If you need a shed or want any kind of out building or outside furniture I would highly recommend calling Pinecraft. Adam is the best customer service guy I have ever worked with.

Corey Pistone
