

# P312A [DUALER]

Convertible FWD/RWD

Powerbase Wheelchair

 **merits**  
**AUSTRALIA**

[www.meritsaustralia.com](http://www.meritsaustralia.com)

## Features

### Unique and compact

- 2-in-1 powerchair, easy to convert from RWD to FWD, ideal chair for indoor as well as outdoor use.
- Unique compact size for maximum manoeuvrability inside the home or in narrow spaces and walkways.
- Height & width adjustable flip-up armrests for improved comfort.

### Stable and flexible

- Change from RWD and move to FWD by simply rotating the chair 180°, to have the perfect drive option for every situation.
- Turning radius is only 49cm/ 19.6”.
- Low seat height of 18” provides excellent stability.
- Power seat elevator available.

Power seat elevator available.  
13cm/5in

Very easy to convert from rear to front wheel drive: Just release and rotate the chair 180°
