## AUTO SEAT BELT REACHER

### Features:

- Snap-on attachment that fits securely on the seatbelt strap
- Works on both driver and passenger sides
- Universal fit - no modification required
- Made of rubber and stretches easily to reduce strain
- Snap on attachment that fits securely on the seatbelt strap

The Able Life Auto Seatbelt Reacher provides a convenient handle to allow the user to put on their seatbelt without any strain. It simply attaches to the seatbelt strap and works well for those with arthritis or shoulder pain by reducing strain when twisting or reaching for the seatbelt. The rubber handle is small and lightweight and can be taken anywhere.
