Creating Possibilities

Etac Fresh bath board

Fresh bath board has won a number of awards for its superb design and excellent functionality.

The original

Fresh has won many design awards and it has set the standard for bath boards in the industry. Its front edge, placed on the bathtub's outer side is wide to provide maximum support for transfers. The midsection is narrowed off to allow ease of access for intimate hygiene. Fresh inner side is designed to give place for soap and shampoo within comfortable reach.

Secure mounting

The edge 'stops' are easy to mount and secure by using the included plastic coin. Four friction linings make the bath board stay securely on the bathtub. Fresh is available in two lengths to ensure a perfect fit to various bath tubs.

Support handle

The orange handle design makes it easy to grip.

Fresh is the original that set the standard for bath boards in the industry with its curved design.
