PLEASE NOTE:

By downloading the art files in this folder, you agree that this artwork is intended for your personal use on your Frame TV or other digital display only, and you agree not to print, share, sell, or repurpose the artwork.

INSTRUCTIONS:

These downloads are formatted to specifically work with the Samsung Frame TV.
We are not Samsung partners or affiliates.

To enjoy this art on your Frame TV, first download the .jpg art file to your smart phone.

You will need to ensure you have a Samsung account and the [Smart Things App](#). From there, honestly, we can take you no further! The app is glitchy, but when it works, it's beautiful. We suggest googling if you are having app trouble—that's what we would do! If your downloads appear in your photos, then the Lindsay Letters leg of the relay is complete and works!
