### REMINDER:

Be sure to leave shoes off when using this chart to determine your size.

**Place Heel Here**

## Kids' Foot Sizing Chart

For shoe sizing accuracy print this chart on A4 paper at 100% or actual size.

### Find Your Kids' Size

Place your child's heel along the arc at the bottom of the chart. Make sure they place their weight on the foot and relax their toes. The line that touches the longest toe is the correct size. The shorter lines in between mark half sizes. Measure both feet and if one is larger than the other purchase the larger size.

**Infant:** Sizes 1C - 4C  
**Pre School:** Sizes 4½ C - 10C  
**Primary School:** Sizes 10½ C - 3Y  
**Secondary School:** Sizes 3½ Y - 7Y

### ACCURACY CHECK:

To ensure correct printing size, **place a credit card here.** If it fits, the chart was printed correctly.
